When my photographer called me to say I was selected as the cover model for this issue, I was pretty excited. I hope you like the photos. I must say I had a great time during the shoot and I know my expressions show it. Especially when I got that great big cock shoved into my ass. It stretched my mouth so I know it stretched my ass, too.

I've waited all week for this. So let's do it!

TAYLOR & SCOTT

Ever since I moved to Los Angeles twenty years ago, my sex life has been the bomb. Especially since I got into this business and I can have sex anytime I want with almost anyone I want. That's been a dream cum true for me and I've loved every minute of it. Like this shoot, for instance. Just look at Scott. He's a blond hunky California guy with a thick hard dick and today, he's mine.

a little story about zack & shian

nothing to do on this fine afternoon, except each other

Zach loves his wife, Shian. She loves him, too. They've been married for more than twenty years and it has been a good marriage. They raised three wonderful children. They have two cars in the garage. They've accumulated many friends, and a comfortable nest egg. All that came pretty easily compared to maintaining a satisfying sex life. But they try.

Zach and Shian are lying in bed together. Zach just got out of the shower and Shian is wearing nothing but panties They are next to each other, both on their backs. Her knees are elevated, and his hand is on her thigh. They are just chatting about nothing, as always. They have nothing to do. They have all day to themselves with nothing to do.

Shian moves her body so she is closer to his side, her hand drapes over his chest, her left leg over his. He keeps his hand between her thighs, and she snuggles her face into his neck. She smells his clean skin. Even though he just showered, she thinks he still smells like himself. The clean, comforting smell his skin has always had.

Together, they lie there quietly. She strokes his chest lightly, and feels his hair beneath her fingers. She adjusts her face, slightly, her lips against his neck. She kisses softly, moving slowly up, towards his ear. She kisses his cheek, and he turns his face towards her. They smile, and their lips meet. Soft at first, just brushing. Her hand moves up from his chest and meets his cheek as their lips continue to dance. Their tongues run over each other, her grip on his cheek pulls him in closer. His hand between her thigh moves up.

She lets go of his cheek and moves her hand down his body, exploring his tight belly and settling her fingers around his cock. She runs her index finger down his shaft, and back up again. Her hand grips the head and squeezes it gently. Her palm runs down his cock, cupping his balls and rubbing. As they kiss, he moans into her mouth. She knows he doesn't want to take it slow. She reminds him that the day is theirs to do with as they choose.

Shian takes her hand away, releasing his lips and lying on her back.

She smiles at him and beckons him to come towards her. He moves closer, kissing her again, his hand between her thighs pushing them apart. His hand moves up her body and finds her throat as he kisses her harder.

He moves down, pinching her nipple between his fingers, running his hand across her chest as he places his thigh against her crotch. She pushes down on him, moving her hips up and down, grinding against him. He focuses on one nipple, then the other. He kisses her neck as she moans.

His hand moves down, once more, brushing the line of her panties. His mouth continues on her nipple, biting gently, flicking over her, flattening across her. He moves his leg off her as his hand slides lower. He traces the inside of her thigh with his fingers, up and across her knickers, up her other thigh and back down. He pauses over her pussy, moves her panties aside and feels her warm desire cover his finger tip. She throbs at his touch.

He grasps the waist line of her panties and pulls them down. She kicks them off, and she lies bare before him. Her cleanly shaven vulva awaits. His fingers glisten as he runs them back up her stomach, leaving a trail. He traces his fingers over her lips before pushing them into her mouth, allowing her to taste herself.

She sucks them lightly, her tongue running over them. He moans into her chest. He rolls onto his back again, grabbing her as they go, pulling her on top. She straddles his lap, and he feels her soaking wet pussy on top of his cock. If she moves back slightly, he could enter her easily. They could fuck and cum together. But she wants more. She wants it to last.

She rubs herself against him, wetting his shaft and balls. She kisses his chest as her hips rock, her clit beginning to throb at his touch.

Shian wants to cum. She is close but chooses to delay it. She can wait. She moves her mouth down his body, licking his stomach, kissing his hips. Her mouth finds his balls first; her tongue laps at them, tasting herself once again. Up, across him, at the base of his shaft, she licks. She flattens her tongue, and her head moves up, up his perfect shaft, pausing at the head of his cock.

Her hand wraps around his base and pushes down as her mouth surrounds him. Her spit runs down; she is so eager, so happy to have him. She loves the taste of his precum. It makes her work harder. She never goes quickly, not like this. She wants him to go to the edge and back. She wants him to beg her for it.

She stares up, her big blue eyes looking deep into his dark brown ones, forgetting herself for a moment; she loses herself there. She sticks out her tongue and rubs his head against it, her lips trailing down him, kissing, worshipping his cock. Their eyes lock. His hand grabs her hair and pushes her onto him one final time. Down his shaft, taking him deep, feeling him in her throat. He pulls her off and gasps. She crawls back up his body. She pauses for a moment and kisses his lips, before continuing the climb up and straddling his face.

She is perched just high enough to tease his mouth. She stares down

at him and runs her hands through his hair. He smiles up at her, letting his tongue dart out and flick her clit. She throws her head back and presses herself onto him, moaning. He buries his tongue deep inside her, thankful that he finally gets to taste her. His tongue is eager and pushes deep. She moans louder; this is her favorite.

His tongue is like magic, moving over her, inside her, circling her clit. She grabs at her breasts and pull at her nipples. He cups her ass and spreads her wide. She has to grip the head board as her legs begin to shake. She was close before, but this is almost too much. She reluctantly pulls herself off once again.

She moves back down his body, pressing her weight on top of him, their chests meet, their lips connecting once more. Her hands lock around his face as she kisses him, deeply. His mouth is home; she wants this to last. This feeling. Her pussy rubs against his cock, wetting the head once more. She moves her hips, and feels him slide deep inside her. She moans loudly as she pushes herself up, her hands on his chest. Her hips bucking backwards and forwards, rocking to the rhythm of sex.

She rides him, feels him deep inside her, feels him pushing into her void. She leans back, and his hand slides against her stomach, the other on her hips, grasping her. She's going to make herself cum. She feels it. She explodes around his cock, screaming out. Her juices flow down his shaft, over his balls and onto the mattress. The wet spot grows as she flows.

Beads of sweat line his forehead as he watches her convulse on top of him. He exhales deeply but he's not finished. It's his turn now. He grabs her hips and flips her over and turns her round. Her pussy is still throbbing as he pulls her ass into the air and runs his cock over her slit.

He teases her again, before pushing himself deep inside her once more. His hands grab at her hips as he pulls her on and off his cock. He pounds her hard. They hear nothing but their mangled breathing and moans. He wraps his arms under her and pulls her up, against him. The sweat on his chest meets her back, and he holds her close, driving up inside her. She presses down hard and reaches her hand down, brushing her clit, finding his balls and rubs them.

Zach shoots deep inside her. He fills her with his cum, trying to catch his breath, biting down on her shoulder. He pulses inside her, unloading. His arms grip her close as they come down, pressing their skin together. Their combined juices soak the mattress even more.

They both laugh and collapse on the bed. He lies on his back. She finds her place against his neck. Her hand crosses his chest again, but this time she hugs him tight.

He faces her, and they kiss. His arm atop hers, gripping her. He runs fingers through her hair. It is something she loves after lovemaking. It is soothing and sensual.

The roll together into a spoon that will last for a couple hours. They'll sleep, shower and do it again. But this time they will find another spot in the house. Maybe the bathroom. Perhaps the living room or kitchen. Zach prefers his lunch on the patio by the pool. Followed by a long slow blow job as he sits on it's edge and Shian splashed in the water.

Today, it's raining. They decide to stay inside and do the best they can. Zach and Shian.

THERE'S A PARTY IN MY ASS

Tatyana

There's almost nothing like the feeling of a warm vibration inside my ass. It's really too bad that guy's cocks don't vibrate. Imagine what that would be like, real live flesh and vibrations, too. I think we women would get off in a New York minute. In the meantime, this will have to do, and I don't mind. Do you?

and here's to you ms. morrison

I just love American girls. They just have a freshness and cuteness that I haven't found anywhere else. And their willingness to fuck is amazing. Too bad we only see that in videos and magazines. Now if only we could make every beach in the US topless, that would be cream on the cake.

I'm sure you get a lot of young guy hook ups with a cougar who hits on him and next thing you know he's cougar meat. Well, that happened to me and I have to write it down before I forget it all. I may have to fill in some areas that I don't fully remember, but you'll get the gist of it, and the guilt of it.

I'm a handyman and do plumbing, electrical, screw in light bulbs, paint walls and ceilings. You get the drift. I'm registered on a couple of these websites that have various types of help on their site and you can find people to do work for you. Well, that's me. I'm on my fourth day at Ms. Morrison's house. It's Tuesday and I'm at her house at eight in the morning. I should have finished yesterday, but she kept finding things that needed fixing and so I stayed on. Ms. Morrison is an attractive (when are they not) young-forty-something divorcée. Since the split, she's dropped the Mrs. for Ms. I wait by my car for a couple moments and she comes out of her house. We shared morning greetings and talked briefly about the day ahead.

Ms. Morrison manages a large aesthetics salon at the swankiest hotel in the city. She always looks nice, but today she looked especially grand. Her long blonde hair and makeup were done perfectly. She was wearing a modest creamy-gray business suit with a vest and skirt. The jacket was folded over her forearm so she wouldn't sit on it in the car. Her boobs were pushing against the tight vest and really made her figure curvey.

She saw me checking her out and asked me if I liked her suit. I told her she looked fantastic and asked why so dressed up. She said she had a bunch of regional managers coming into her salon and she had to show them around and the wine-and-dine them later. I wished her good luck, she smiled a thank you.

Over the weekend she was really dressed down. Sweats, glasses and her hair up as she ran errands. Today, she was a whole other woman. She told me she would be gone until mid-evening, so I should feel free to get into her house to start my work. She told me she had to get going, and I opened her car door for her. As she got in, her skirt rode up a bit, and I saw a nice bit of her curvy legs and thighs, and she pulled it up a bit higher, saying she hoped the air conditioning would cool the interior down quickly.

I went back to my car to get my tools with a stiffening erection. There was a sort of sexual excitement this older woman created in me, and which I needed to explore. I grabbed my tools, let myself into her house, and went up to her room. The silky nightgown I had seen in there the day before was on her bed, and I couldn't resist touching it. Soon, I was pleasuring myself with it, and inhaling the scent of her on it. I stopped short of finishing, replaced it as it was, and went to work.

I spent a restless night after this encounter with Ms. Morrison. I suffered from a combination of arousal, guilt, and shame. The next day, I had to run home because I had forgotten my lunch. Her car was parked in her driveway, and as she came around the corner of her house, I had returned. I was surprised to see her at home on a weekday, but she told me that she was taking the day off after all the meetings from yesterday.

She then asked my to come into the house with her and I followed her into the living room. She offered me a drink and I asked for some water since it was another hot and humid day. Ms. Morrison was dressed for the weather in just a plain white v-neck t-shirt and short shorts. She wasn't wearing a bra and her breasts pushed against the t-shirt fabric. We talked about the work I had been doing. She told me it was very well done and that she appreciated the time and care I took in doing it. She also said she noticed some dry milky white spots on her bed. I immediately turned crimson and stumbled over my explanation. She listened intently until I finished, then told me it was nothing to worry about. She thought it was semen but she hadn't had any men in her bed since her divorce.
She spoke some more to make me feel at ease, then told me, didn't ask me, told me to follow her upstairs. She led me into her bedroom and I thought she was going to show me the spot, but instead she came over to me and started hugging me. My penis went from limp to erect in two seconds under my jeans, and the feel of her breasts against my chest was amazing. She stepped back and told me to disrobe and she'd be right back. I did and she did and I stood there naked totally aroused as she came back to the bedroom.

She came over to me and took hold of my cock and stroked it a few times. Then she took my hand and put it on her crotch and pressed it hard. With that, she pulled the t-shirt over her head exposing her gorgeous breasts with their hard nipples, then slipped her shorts off.

She walked slowly around the room, and with each step her breasts swayed as she moved. I was stroking my erection, and she was

playing with her nipples and then came over and stood next to me. She kneels in front of me and starts sucking my dick like she was hungry and hadn't sucked dick for a long time. Her eyes were half closed and didn't make contact with my eight inch erect cock. Ms. Morrison pulled me back to the bed and we both laid down on it. We got into a 69 with her on her back, sucking me as I licked her pussy and sucked on her enlarged clit. After a few minutes, I could tell her body climbed closer to orgasm.

All at once she stopped sucking and began shuttering and moaning uncontrollably. She convulsed and tightened up for nearly a minute squirming around. Finally she opened her eyes and looked at me with the look of a wild woman. We then changed our positions and I moved between her legs as she lay there; her lower body totally relaxed and nearly limp from her first real orgasm with a man in a couple years. I knelt and spread her legs slightly as I rubbed my cock head around her thoroughly lubricated opening. I slid as much of my cock into her as I could. Her pussy was stretching around me. She didn't lurch or resist when she felt it inside of her. She just lifted her butt up and spread her legs to allow total access. I placed my hands on either side of her and drove into her. She went crazy. She didn't struggle to handle my size in her tight pussy she just squeezed and enjoyed the thrusts.

She came hard and her cum added lubrication and sensitivity as my cock slid in and out of her. With that I let loose and in a few deep short thrusts my cock started to spasm and fill her pussy full of my cum. I was kissing her mouth and I asked her if she was ready for more. She said she needed a few minutes and I was relieved because I did too. After a short five minute rest, I restarted things by massaging her back and kissing her neck.

I gently played with her ass hole with my fingers and she squirmed a bit with the new sensation but didn't seem to object. I slipped my fingers into her pussy and lubed them up with her juices and my cum. I rubbed it on my cock and rubbed my cock head around her tight ass hole. I eased it in gently, still only semi erect and I felt her anus relax and I tried to enter her ass. I find anal sex to be the ultimate.

Ms. Morrison screamed and squirmed as I was finally into her most of the way and started getting harder inside of her. I could only fit that far into her and her tight sphincter was choking my cock as I began sliding it in and out. My thrusts lifted her and stretched out her ass hole. The build up was intense, she began to rock with a crazy orgasm while she was rocking on my cock. As she came, her ass tightened and spasmed finishing me off as well as I pumped all of the cum I had left into her ass. I dismounted her and she just laid there not saying a word.

The next day I came by to finish putting some new knobs on a dresser. When I finished, she paid me and that was it. She thanked me for all my hard work and told me she would get in touch with me if she ever needed anything else fixed. I took her check, folded it and put it in my wallet, grabbed my tool kit and showed myself out the door. So here's to you Ms. Morrison.

Naomi and Penelopa the lesson's on

Penelopa, you take the lead and teach me a thing or two for I am here to learn? Afterwards we'll take it easy, take our time to cool down, and just enjoy feeling incredibly energized, happy and relaxed. I am already looking forward to making love with you...

love me, love my ass

Victoria, tell us about your ass.

You know, no one has ever asked me about if, but I know they all talk about it. As long as I can remember, I've had a pretty round rump. It filled out a pair of pants nicely. But naked, it's really very nice. Even I think so. But no one has ever been in there – yet.
